RE: Visible 1-Call Solutions Testimonial

Galleon Energy has been using the services of Visible 1-Call Solutions (1-Call) for approximately two years as our agent for Alberta One-Call tickets. They receive our One-Call tickets on our behalf and:

- Prepare ticket packages for the district offices
- Troubleshoot problem tickets
- Liaise with the district offices and One-Call
- Update One-Call every month with current Galleon data
- Monitor Galleon's monthly pipeline activity, i.e. acquired and divested lines, newly permitted lines, etc.

It is an invaluable service that allows us to focus on our core responsibilities, while feeling confident that all of our one-call tickets have been handled appropriately.

Janet Khalife, the Visible 1-Call Manager is very thorough, provides excellent service and is always a pleasure to work with. We look forward to a continued successful working relationship with Visible 1-Call for many years to come.

Sincerely,

Connie Hart
